

Summer 1 Term Undergraduate Textbooks

Below are the books and materials required for class for the upcoming term. It is absolutely critical to have the exact books and materials when classes begin to ensure every opportunity to be a successful student. Students should present the appropriate ISBN when purchasing course materials. Please pay special attention to potential special instructional items listed as required course materials as some courses may require specific software modules.

The Books and Materials information below includes the course name, number, ISBN, descriptions, and price. Prices are subject to change without notice. Books and materials can be purchased as a full set (all books and materials listed) or al la carte (by the book). Books and materials information should be confirmed with your enrollment adviser prior to purchasing. Please contact your enrollment adviser with any questions you may have concerning your books and materials needs.
